At Wightwick Hall School we take pride in safeguarding our students and staff.

We ask you to follow safeguarding rules by:

- Signing in and out at the main reception
- Visibly wearing your visitor pass
- Remaining in the area you have permission to access
- Being mindful of your own behaviour in relation to our learners
- Acting promptly if you observe or are approached by a student in distress

Should you have any concerns please:

- Contact the safeguarding team
- Do not promise confidentiality
- Tell the learner what you are doing and why
- Do not investigate
